

# Declaration of the People of the United States for Global Peace and Prosperity

By Man of God

When the Course of recent human EVENTS, it becomes necessary for one People to dissolve the Political Bands which have connected them with another, and to assume among the Powers of the each State in the United States of America, the separate and equal Station to which the Laws of Nature and of Nature's God entitle them!

A decent Respect to the Opinions of Mankind requires that they should declare the causes which impel them to the Separation from the authorities imposed by those oligopolists that control all via corruption and influence.

We hold these Truths to be self-evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness—That to secure these Rights, Governments are instituted among Men, deriving their just Powers from the Consent of the Governed, that whenever any Form of Government becomes destructive of these Ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its Foundation on such Principles, and organizing its Powers in such Form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient Causes; and accordingly all Experience hath shewn, that Mankind are more disposed to suffer, while Evils are sufferable, than to right themselves by abolishing the Forms to which they are accustomed. But when a long Train of Abuses and Usurpations, pursuing invariably the same Object, evinces a Design to reduce them under absolute Despotism, it is their Right, it is their Duty, to throw off such Government, and to provide new Guards for their future Security. Such has been the patient Sufferance of these States in the United States; and such is now the Necessity which constrains them to alter their former Systems of Government. The History of the present influence of oligopolists supporting the secret societies such as the illuminati cabalist is a History of repeated Injuries and Usurpations, all having in direct Object the Establishment of an absolute Tyranny over not only the great people of the United States but all people of all nations in the Globe. To prove this, let Facts be submitted to a candid World.

They refused Assent to Laws by corruption of the truth of which is evidenced by the 2020 US Elections Fraud and Misrepresentations at every level, we the people have been usurped of our legal right to exercise and see through our basic right to vote, the most wholesome and necessary for the public good and proper representation.

They have forbidden elected Officials including Governors to pass Laws of immediate and pressing Importance imposing rules based on false reporting and public fear created by false narratives and misinformation such as the COVID strains of infection and the true cures that can remove the infections. They have imposed fake solutions like the COVID injections of poison elements, which is most dangerous altering the Human DNA with RNA and thus eliminating the human body from its own natural immune function of battling illness. This alone can cause the loss of life in the future up to 70% of all those persons who have taken the fake vaccines promoted by all means of media under the control of the same cabal illuminati oligopolists.

they refused to pass or enforce Laws for the Accommodation of the People, unless those People would relinquish the Right of Representation by compliance when taking the COVID Fake Vaccines and signing a waiver of liability.

They, in the State Legislature, are not representatives of the people but by Tyrants only passing illegal laws subjugating the people to false narratives and mandate promoting a global plan of population reduction with tactics including wars, food shortages, food modification causing long term illness, disabling of the human body's immune system.

They called together State Legislative Bodies at Places unusual and distant from the Depository of their public Records, for the sole Purpose of planning into Compliance with Measures to ensure the depopulation of humanity and retain resources for their agenda.

They have dissolved True State Representative Houses repeatedly by vote manipulation, placing candidates who are representing only the Tyrant Oligopolist and their policies, for opposing Invasions on the Rights of the People.

They have refused for a long Time, after such Dissolutions of legal lawsuits by representatives of the people, to cause others to be elected illegally using compromised Dominion voting systems and technology; whereby the State Legislative Powers, incapable of proper and real representation of the people, have not responded to truth so now this power and authority must be returned to the People at large for their exercise and correction; the State remaining in the meantime exposed to all the Dangers of Invasion from within compromised representation and Convulsions within without current resolutions.

They have endeavored to prevent the Population of all States to cast votes for representatives to all levels of office to enforce secret agendas that specifically aim to harm us the people in all states and all nations globally.

They have grossly obstructed the Administration of Justice, by refusing his Assent to Laws for establishing Judiciary Power and authority in true Justice. We the people in all areas of domestic Law Enforcement, domestic and international Military engagement have all been restricted and directed by those compromised authorities above them to follow the false narratives of the tyranny of the influence and directions of the cabal illuminate cabalist oligopolists.

They have made domestic, regional and supreme Judges dependent on their will alone, for the Tenure of their Offices, and the Amount and Payment of their Salaries.

They have erected a Multitude of new Offices, and sent hither Swarms of Officers to harass our People, and eat out their Substance with new stimulus funds and disabling normal businesses to thrive and function with fake pandemic schemes and fear. This has turned from a temporary solution to becoming a state of Nazi Gastaple declaring "Show me your Papers"

They kept among us, in Times of Peace, Standing UN and other NATO Armies, without the consent of our Military Leaders who have not been compromised.

They have been affected to render the Military independent of and superior to the Civil Power. They offend the American People with a fake administration causing reckless policy to the detriment of National Security.

They have combined with others to subject us to a Jurisdiction foreign to our Constitution, and unacknowledged by our Laws; giving his Assent to their Acts of pretended Legislation:

For quartering large Bodies of Foreign Armed Troops near us:

For protecting them, by a mock Trial, from Punishment for any Murders which they should commit on the Inhabitants of these United States with the use of fake vaccines that have killed tens of thousands of Americans and Millions of others worldwide:

For cutting off our Trade with all Parts of the World in closing our businesses with fear and new policy surrounding a fake COVID and other Pandemic Measures::

For imposing Taxes on us without our Consent:

For depriving us, in many Cases, of the Benefits of Trial by Jury with assassinations of witnesses of truth regarding those in power causing such abuse :

For transporting and human trafficking for the purpose of satanic human sacrifices and the practice of adrenicrome use with the torture and murder of young children:

For abolishing the free System of Constitutional Law, operating in Maritime or Admiralty Law establishing therein an arbitrary United States Corporate Government already bankrupt, and enlarging its Boundaries, so as to render it at once an Example and fit Instrument for introducing the same absolute Rule of the people not only in the United States but Globally:

For taking away our Charters, abolishing our most valuable Laws, and altering fundamentally the true Forms of our Governments of the will of its people:

For suspending our own legally elected Legislatures replacing them with fake voted candidates, and declaring themselves invested with Power to legislate for us in all Cases whatsoever.

They have abdicated the true United States Government, by declaring us out and without rights and waging War against us, killing us softly with vaccines altering our DNA with RNA, HIV and other poisonous elements.

They have destroyed the Lives of Millions of the People of the United States and continue to kill millions globally recklessly with careful precision.

They at this Time, transporting large Armies of foreign UN and Chinese Military to complete the Works of Death, Desolation, and Tyranny, already begun with circumstances of Cruelty and Perfidy, scarcely paralleled in the most barbarous Ages, and totally unworthy to Head of a civilized Nations. Their tools of choice include leadership of Federal Government Agencies such as the CDC, FDA, UN, CCP, and agencies CIA, FBI, MI6, with Government authorities in Central Banks robbing all sovereignty of nations and its people.

They have constrained our fellow People, Citizens of many nations, taken to bear Arms against their Country, to become the Executioners of their Friends and Brethren, or to fall themselves by their Hands. Our military and Law Enforcement are being subjugated to follow illegal orders and the invasion of their own bodies with the forced fake covid vaccinations.

They have excited domestic Insurrections amongst us with Black Lives Matter and Antifa movements of violence, and have endeavored to bring on the Inhabitants of our communities, cities and government, the merciless Rule of Warfare, is an undistinguished Destruction, of all Ages, Sexes and Conditions.

In every stage of these Oppressions we have Petitioned for Redress in the most humble Terms: Our repeated Petitions have been answered only by repeated Injury. A Prince, whose Character is thus marked by every act which may define a Tyrannical group of oligopolists who have been unfit to be the influence of Rule of the free People of the United States and all other nations abroad.

We have been wanting attention from our Brethren here in the United States and abroad and we have warned them from Time to Time of Attempts by their fake Legislature to extend an unwarrantable Jurisdiction over us. We have reminded them of the Circumstances of our lives here. We have appealed to their native Justice and Magnanimity, and we have conjured them by the Ties of our common Kindred to disavow these Usurpations, which would inevitably interrupt our Connections and Correspondence. They too have been deaf to the Voice of Justice and of Consanguinity. We must, therefore,

acquiesce in the Necessity, which denounces our Separation, and hold them, as we hold the rest of Mankind, Enemies in War, in Peace, Friends.

We, therefore, the Representatives of the UNITED "STATES" OF AMERICA, in the Name, and by Authority of the good People of this great nation, solemnly Publish and Declare, That these United "States" are, and of Right ought to be, Free and Independent States; that they are absolved from all Allegiance to the oligopolists, cabal illuminati secret societies, and that all political Connection between them in the United States and Abroad, is and ought to be totally dissolved; and that as Free and Independent United States, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent countries may of right do. And for the support of this Declaration, with affirm Reliance on the Protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes, and our sacred Honor and start immediately with contacting our state legislatures to make the changes to protect our individual rights and liberties, starting with guarding our most basic right which is to protect our votes and the processes and devices to have true and honest elections.

We the people have the authority to enforce our rights at the State level which can correct all that has gone wrong and control the outcome of our future and freedom to live under the constitution without the evil that has become part of everyone's daily lives.

Action to take today is that each person in each state write a letter addressed to each state representative, legislator, and senator demanding the reforms and corrections to change via new legislature the laws needed to eliminate specific corruption in the state government protecting its state residence.

**Specifically addressing the following issues:**

1. Real voting technology that cannot be compromised. Such as the QFS delivery software and hardware instead of the dominion based systems.
2. Protection of our individual liberties such as the right to choose what medical treatments are acceptable and not acceptable such as the issues of the unwanted COVID 19 vaccines. This shot contains many elements that will compromise the human DNA with RNA and HIV as well as other negative elements.
3. Compensation and liability for harm against those whom have been coerced into taking the COVID 19 vaccination via Mass Media Influence and Federal Government Influence as well as mandates with illegal passage of the use of the Vaccine approvals from the FDA and other federal agencies all influenced by that agenda of the globalist oligopolist cabal organizations such as the Federal Reserve Board (FRB), United Nations (UN), Council on Foreign Relations (CFR), Central Intelligence Agency (CIA), Federal Bureau of Investigations (FBI), Department of Justice (DOJ), International Monetary Fund (IMF), Bank of International Settlements (BIS), Internal Revenue Service (IRS), and any other agency or group that have influence in the affairs of the people of the United States that have assaulted our own individual freedom and liberties in the pursuit of happiness.
4. Removing all restrictions and to stop promoting fear concerning COVID 19 and any other medical issues to control and destroy our individual liberties to work, earn and spend which is the basis of a healthy economy.

We rest with peace and the love of mankind. We desire life not death or planned genocide and shall enforce all measures of this being corrected to save our Nation from demise and destruction.
